Everyone Loves
A Gentle Dentist

"I treat your kids like I would my own." ~ Dr. Kellogg

*Living and practicing in Howell for over 25 years
treating families and over 1000 children last year.*

*Howell Heritage Days with Frank Tannana,
local Hero & Detroit Tigers Baseball Legend*

On May 17th the **Howell Dental Center** assisted the legendary **Frank Tanana** of the **Detroit Tigers**, as he gave back to the community by graciously signing autographs and taking pictures with local fans for donations of canned goods, to help re-stock the shelves of the **Gleaner's food banks** of our community. He chatted with fans late into the afternoon, while in the background ball players from the **Vintage Baseball Leagues** played in period baseball attire. The pre-game entertainment, **The Howell Celebrity Team**, made up of local sponsors, took on a local **Vintage Baseball Team** in a game of ball, played the old-fashioned way with the old-fashioned rules; no gloves, one bounce catch allowed, bat until you hit or the referee says you are done.

Dr. Kellogg played on the Howell Celebrity Team, and we are proud to report **he helped his team by hitting a double**. He did however get tagged out while running the bases. Call us to find out what **our next local event** will be. **We would love your support!**

What events would you like to see us participate in? Just e-mail your ideas to smilmkr@sbcglobal.net. We would love to hear from you.

*Howell Library Clock Dedication
in memory of June and Edward Kellogg*

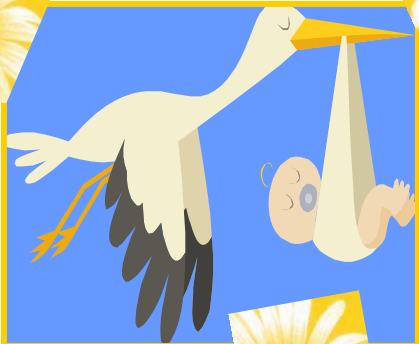

On a cold, misty day in May, Dr. Thomas Kellogg, son of Edward and June Kellogg dedicated a clock to the town of Howell in memory of his parents Edward and June Kellogg. The clock was donated by the Edward and June Kellogg Foundation, who's focus is furthering education in the community; so it's befitting that the clock was place out front of the Howell Carnegie Library.

*Dr. Thomas Kellogg of the Howell Dental Center said,
"My parents loved Howell, and I just wanted to commemorate
that by giving this clock to the townspeople to honor the
memory of my parents for all that they did over the years
for the town they loved so much."*

Sarah Tottingham of the foundation gave an eloquent speech at the dedication. Friends of Ed and June, Mr. and Mrs. VanKyle gathered, as well as staff of the Howell Dental Center and their families.

*Congratulations
Kim and Joe Stellar
on your beautiful
baby boy!*

This just in...breaking staff news. It's a stellar moment!

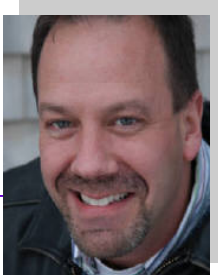

Our Valerie Demonstrating a *Boost* Whitening Treatment at a Crystal Gardens Trade show

Chicks in Red Heels

We participated in the **first annual "Chicks in Red Heels Symposium"** at the Chrystal Gardens Conference Center. We met a lot of great people and were able to showcase our **new "Boost Whitening System"**. It's a **fast-results, in-office teeth whitening treatment that takes about an hour**. People ask us why we prefer **"Boost"** to the kind of teeth whiteners available in stores. Well, the main reason is that professional products are stronger and give a much faster, much whiter result that lasts longer than the over-the-counter whiteners. "They can't come close to what we can achieve for you in our office" says Dr. Kellogg. His favorite reason, since he has sensitive teeth, is that **"Boost" has little to NO tooth or gum sensitivity**. And did you know that the **"Boost System"** is the same as was used on **"The Ultimate Make-over" TV show?** Patients have experienced an increase in their **self esteem and confidence** and that is a common theme we found among those wonderfully poised ladies, called the **Chicks in Red Heels**.

It's horrible to have a toothache. Don't suffer in pain, we will help you with your emergency right away.

~Dr. Kellogg

Upcoming news: FREE DENTAL DAY - Watch for our upcoming free dental day, when we will serve those of our community who are in need financially, and in need of dental care. Know a local friend who's been laid off? More details soon. Also, we need **BEANIE BABIES** for the children of **Guatemala** we will be treating on our upcoming **Dental Mission**. So bring 'those furry friends on into the office if you want to donate and help us serve.
